Have you had time to take a look at the comments below? I really don't think there is anything of concern here. Since I haven't responded yet, I'm going to go ahead and do so - responding to Blair's email about meeting, noting the typos below.

Thanks.

Suzanne

Good evening ladies. I wanted to review an actual redline before responding. I generated the attached and have provided for your reference.

Bottom line - I think this addresses our requests of 9/25/15 as noted below.

- Street Kits - clarify in the contract if the application methodology through the city (noted in Lan's 3/17/15 email attached) is to replace what is currently included (that would be the preference)
- Events - it was discussed at our 7/24 walkthrough that it should be clarified that the BIDs would not be responsible for any damage due to events
- New palette - the contract should reflect the specifications below rather than what is currently included
- Deficiencies - Will these be addressed with an a/s-is letter per Kent's request in the attached email dated 5/27/15?
- Labor Costs - the BIDs are to provide updated costs; for the DCBID I still do not have confirmation of how the city minimum wage increase will impact us (Chrysalis may elect not to take the exemption) - how should this be addressed in the contract?

I did note the following from reviewing the redline (these comments are also included in the with comments document attached). I really only think the typos essentially noted in items 1 and 5 below need to be addressed but please let me know if you have issues with anything else noted. Otherwise I have new pricing and am good to go.

- 1) III.A.1.a - frequency should be frequently
- 2) III.A.1.e. Monthly power washing - They did not highlight this. They put in incorrectly and redundantly in section IV where it should be removed.
- 3) III.A.4.a. FYI - They did not highlight this but they added having us direct interested event organizers to applicable City permitting requirements. I would object to this except that they put and/or at the end which still gives us the option to simply direct folks to the City which I am fine with.

- 4) III.B.2. They did not highlight this but they added the option to remove the improvements rather than be required to maintain them. I'm neutral on this â just an FYI.
- 5) IV â The reference to power washing should be deleted. This is in the wrong section (under City Responsibilities) and was already added as item III.A.1.e under Corporation Services.
- 6) V.K. They did not highlight this but they changed payments from 15 days to 30 days. I'm ok with this.

Please note that I will be out of town the next two Fridays 9/23 and 9/30 but am available most of next week except Mon until 10, Tues 10-11 and Wed 10-12.

Thank you both!

Suzanne

So should we set another meeting to sign and iron out any last details?

And the HCBID already sent the new numbers and clarified the last question so we should be okay on our end. Next week I can do 3pm on Tuesday the 27th or 10a-12p on Wednesday or anytime really on Friday 10/30.

Thanks

Suzanne,

The redline should point out close to 100% of the changes, if it isn't 100%. For comparison with the current draft, I've attached the previous draft, with the affected wording highlighted in green. I hope this helps.

Thank you for the news regarding the transition to Rena!

Thanks Pauline. I see that you indicated that ânotable changesâ are highlighted. Is this a complete redline of the contract?

Please note that I've replaced Kent Smith with Rena Leddy, the current Fashion District Executive Director, as a cc on this email.

Thank you.

Dear Kent, Blair, and Suzanne:

-  
Finally, I am transmitting for your consideration the agreement, with the notable changes in highlighted in yellow. I am so sorry for the delay as I was out of the office for a couple of weeks in August.

-  
As you can see, much of the changes are minor and related to nomenclature or exhibit references, including:

-  
**1. Page 7, under "Furniture Kit Acquisition, Deployment, Cleaning and Maintenance":**

The wording clarifies the conditions for *new/additional* furniture that the BIDs and businesses may elect to purchase and maintain, above and beyond the existing furniture kits that LADOT deployed which LADOT has agreed to continue to manage. This is consistent with previous field and office discussions.

-  
**2. Page 12, Section IV - City Responsibilities:**

The wording was changed as follows: "Plaza" was replaced with "Dress Rehearsal." "Corporation: shall provide regular powerwashing and spotcleaning of surface" was added.

-  
**3. Page 15, Section VII - List of Exhibits (New)**

The list of exhibits was missing from the previous version. The list includes the Standard Provisions for City Contracts, which are part of normal business practice for contracts in the City, as mentioned at our meeting.

-  
Please let us know if you have any additional comments. Thank you for your patience.

-

Pauline
